# **SPLENDIORE TYRE SHINE SILICONE**

**Product Data Sheet**

PRODUCT CODE: **FL1073 (20L)**

## **DESCRIPTION**

SPLENDIORE TYRE SHINE is a premium silicone treatment designed to restore and enhance the appearance of tyres, bumpers, vinyl, and body trim. Its advanced blend of silicones and solvents delivers a deep, long-lasting shine with excellent coverage and brilliant reflectivity surfaces.

## **DIRECTIONS**

Apply by Spray or brush. Allow product to emulsify grease, then rinse with high-pressure water. Avoid extended contact with painted surfaces.

## **BENEFITS**

- High quality silicone tyre treatment
- Easy, economical and efficient to use
- Restores & protects
- High gloss appearance

## **NOTE**

Best Results are Achieved Using Spray Applicators. Austech 1L Pump-Up Sprayer is Recommended for use with AC-42.

- Newer tyres may repel the silicone due to the presence of manufacturers coatings
- Older tyres may soak up the silicone very readily diminishing the gloss of the finish

## **PRODUCT CODE / AVAILABLE COLOURS:**
